

AllStar Hub 42121 Connection Policy

Attention stations connecting to AllStar Hub 42121:

The constant connect/disconnect behavior needs to stop. Please do not surf around from system to system just to see where there is activity. If you connect to this system, remain connected for a reasonable amount of time and use the network properly.

If you would like activity on Hub 42121, encourage others to connect and participate instead of repeatedly connecting and disconnecting.

Continued abuse from AllStar, EchoLink, HamsoverIP, or Amateur Wire nodes may result in your node being banned from connecting to this system.

There is no reason for excessive connect/disconnect activity. Thank you for your cooperation.
